

YOUR SUBURB AT RISK!

**WE NEED
YOUR
SUPPORT**

**TO PROTECT OUR
HERITAGE**

In the transition to the state's new planning system, hard won protections for our beloved heritage places are at risk of being lost. **If newly proposed laws and policies are implemented, thousands of places are at imminent risk of demolition, with no right of objection or appeal for neighbours, councils, or communities.**

**YOU CAN STOP THIS BY
STANDING UP FOR HERITAGE PROTECTION**

BUT WE NEED TO ACT FAST! (TURN OVER TO SEE HOW)

DO YOU WANT YOUR SUBURB TO GO

FROM THIS

TO THIS?

If allowed, this loss of heritage protection will result in the greatest destruction of historic places South Australia has ever seen.
